

WESTINGDALE ANNOUNCES TOP 10 PRIVATE EQUITY INVESTMENT CHALLENGE FINALISTS

PHILADELPHIA, PA, June 4, 2012 – Westingdale Ltd, a trusted global provider of business strategy and financial advisory services, is pleased to announce the top 10 finalists for its 2012 Private Equity Investment Challenge.

In this year’s challenge, Westingdale received 304 submissions from a broad range of dynamic start-up and growth-oriented companies in 16 different countries. This represents a more than three-fold increase over the 97 submissions received in 2011.

“We are very pleased by the number of high quality projects submitted this year and impressed by the experience, expertise and dedication of the management teams running them” stated Ken Miyazaki, Westingdale’s Director of Private Equity.

The Top 10 finalists (listed alphabetically) are:

- **EastGate Pharmaceuticals** (Canada) – Development and commercialization of advanced pharmaceutical and nutraceutical products.
- **Eco Tool Cleaning Solutions** (United States) – Environmentally friendly cleaning technology for companies operating in the oil & gas exploration, refining and off-shore drilling industries.
- **eSwing Golf Technologies** (United States) – Designer and manufacturer of a patented swing analysis and training device as well as browser-based, mobile-enabled software applications for the professional and recreational golf industry.
- **HiTi Ltd.** (Bulgaria) – A leading importer, processor and distributor of nuts, dried fruits and other fine food products with more than 2300 clients throughout the country.
- **Micromix Plant Health** (Nottinghamshire, UK) – Developer and manufacturer of trace element fertilizers, bio-stimulants and other specialty foliar products for agriculture, horticulture, sports turf and hydroponic markets.
- **Preci Devices Manufacturing (HK) Co.** (Hong Kong) – Outsourced manufacturer of precision devices for medical, dental and general healthcare industries.

YOUR PARTNER FOR BUSINESS GROWTH
